## Release of Liability Waiver

### FOR ANY STUDENT AND PARENT PARTICIPATING IN A GYMNASTIC ACTIVITY:

By the very nature of the activity, gymnastics & cheerleading carries a risk of physical injury. No matter how careful the gymnast and the coach are, no matter how many spotters are used, no matter what height is used or what landing equipment, the risk cannot be eliminated. The risk of injuries include minor injuries, such as bruises, and more serious injuries, such as broken bones, dislocations and muscle pulls. The risk also includes catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, neck or head.

Gymnastics & cheerleading, or any activity that involves motion, rotation, and height in a unique environment, carries with it a reasonable assumption of risk. Perpetual Motion Gymnastics is bound by law to inform all participants and their parents or guardians of the risk involved in the activity of gymnastics. Anyone participating in the Perpetual Motion gymnastics or cheerleading programs (along with those legally responsible for the participant) must sign the notice on the application and must adhere to the safety rules governing the gymnasium. These rules are posted inside and outside the gymnasium, and a copy is sent with every confirmation letter.

In consideration for Perpetual Motion Gymnastics and cheerleading program acceptance of the applicant, and in consideration of the applicant's opportunity to improve gymnastic skills through the use of the staff, equipment and facilities, those legally responsible for the named enrolling student realize the risk of injury involved and hereby agree to assume the responsibility of such for said student and further agree to save and hold harmless the said school, its employees, and all others concerned, and to indemnify them against loss, intending to be legally bound, our signature is offered below.

### FOR ALL STUDENTS ENROLLED IN CLASSES

I hereby grant to Perpetual Motion Gymnastics and/or its legal representatives and assigns, the irrevocable, absolute, and unrestricted right to use and publish the likeness, portraits, photographs, film or videos of my child, or in which my child may be included, for advertising purposes. I hereby release Perpetual Motion Gymnastics and its legal representatives and assigns from all claims, royalties, and liability relating to the use of said likeness, portraits, photographs or films/videos.

### I understand and accept all enrollment conditions

**Registration** is accepted by PDF email, fax, USPS mail, or in person (Monday through Friday 8:30am-3:30pm). You can now print the registration forms from our web site or fill the forms out during the first class. \*Classes must be paid in full to hold your space in the classes of your choice. \*No child will be permitted in class without full payment and a signed registration form. Monthly payments can be made through **Electric Funds Transfer** from your checking account, or by check or credit/debit card. \*You may register for a class any time during the month. The fee will be prorated for the following months tuition payment. Please read the tuition and enrollment policies carefully. There is a \$25 charge issued on each check returned from the bank for any reason.

**Refund Policy:** Perpetual Motion has a “one month” satisfaction guarantee. The total tuition payment for the “first” 4 weeks of classes will be refunded if customer satisfaction is not met. A signed “**request for refund**” form must be presented to the instructor before or on the day of the 4th class. No refunds will be issued “**after**” the fourth class. The registration fee is applied to immediate expenses before children step into the gym, therefore, this fee is non-refundable. We can not issue refunds or credits for missed classes. Each spot in the class insures that the instructor and expenses for that class are met. Prices are set by the spot reserved, not by the actual attendance of each student.

**Make-up policy:** We have a “no make-up” policy at Perpetual Motion to insure that each class will not be disrupted or over loaded. The instructor of a class may override this policy if adequate room is available. There are no credits or refunds for missed classes. All one day holiday closings (see calendar) may be rescheduled on an alternate day.

**General Policies:** Every child under the age of 3 years must be accompanied by a parent or caregiver. Baby siblings are not permitted in the class with the parent or caregiver. Twins must have 2 participating adults. **Parents (other than mommy and me classes), guests, and siblings are not permitted in the gym during the scheduled child’s class for any reason. This is an insurance regulation.** Guests, siblings and parents must wait in the waiting room. \*Fees and class schedules subject to change without notice.

**Monthly Session Dates:** 6/26-7/23    7/24-8/20 // 9/4-10/1    10/2-10/29    10/30-11/26    11/27-12/24    1/8-2/4  
    2/5-3/4    3/5-4/1    4/2-4/29    4/30-5/27    5/28-6/24    6/25-7/22    7/23--8/19

**Late Payment Fee:** Gym and Cheer class tuition is due by the 25th of each month preceding the month of classes. A \$10 late fee is charged by the computer on the 1st day of the month for “each” past due class tuition.

**Withdrawal Policy:** Any child may withdraw or transfer from any “class” with a signed “**withdrawal/transfer form**”. Perpetual Motion requires a 30 day “**written, withdrawal notice**”. This form must be signed by both the parent and any Perpetual Motion staff member with a verification copy going to each. Please note the day of notification and the day of the final class on the form. Tuition, by this signed contract above, will be due during the 4 week notification period. We do hope your child will attend his last four classes before his/her withdrawal date. An automatic notice is put in after the four non-notice class absences. This means eight weeks of classes are due and payable to any parent who leaves the program without proper notice. No parent will be charged for more than eight consecutive absences. Perpetual Motion office staff must know who is attending each class since we base our teacher schedules and tuition on the students enrolled.

Parent Signature \_\_\_\_\_ I have read and understand each policy above.

# Class Descriptions and Developmental Goals

**Gymnastics is fundamental to all sport activities!**

## **Little Learners** – 1 1/2 , 2, & 3 yrs., 50-minute class

The class requires parent participating.

Our "little learners" utilize the whole gym. Developmentally appropriate skills are taught in a safe, non-structured class for the purpose of expanding each child's movement potentials! This is a child directed class motivated by an environment of differing challenges each week. It is fun to watch them grow as they explore each gym setup. This gym experience also develops an "I can" attitude! Children will run, bounce, hang, swing, jump, balance, squeeze, and roll each week, thus, reinforcing and developing greater and greater coordination and confidence. Vocabulary is also enhanced as they interact with parents and teachers during their weekly environmental challenges. This interaction with teachers and parents is so valuable. One adult per child is required.

## **Jumpin' Beans** – 4, & 5 yrs., 50-minute class

This age begins the teaching of listening skills and group instruction under the direction of a professional teacher. This is a great class, presenting your child with a fun environment while preparing them for the challenges of kindergarten. Learning to do activities in a group and learning to listen with their eyes and their bodies is essential for a child's future success in a kindergarten and school environment. We also continue to develop an "I can attitude" in this class as we did in our "Little Learners" class. This is a "teacher directed" class. Parents are not allowed in the gym unless requested by the instructor.

## **KinderKids Gym**– 5 6 & 7 yrs., 1-hour class

Our kinderkids classes follow the same fun, safe developmentally progressive program as our pre-schoolers, but, because they are stronger and more focused the skills are acquired at a faster rate. Children are now introduced to more upper body skills such as handstands and cartwheels as they develop greater coordination skills learned previously. Of course listening skills are stressed during every class as directions are expanded in time and scope. The time and complexity of instruction increases with age and progress of each child.

## **Recreational Gymnastics**-7 to 12 yrs., 1-hour class

Grouped by age and ability, these classes are taught on all regulation gymnastics apparatus, floor exercise area, in-ground trampoline, and tumble track. Classes begin with a stretching warm up and concentrate on two pieces of equipment, alternating weekly. Safety is our priority. Students will move on to more difficult skills only when they have mastered the basic skills with **ease** and confidence.

## **Tumbling** 8 yrs. & older., 1-hour class

This class focuses on tumbling only. Flexibility, coordination, strength, and power must be developed to accomplish advanced tumbling skills. Upper body strength is critical to tumblers, and in fact, to all sport challenges a child may participate later in life.

## **Cheerleading** - 6 yrs. to 12 yrs., 1-hour class **Non-Competitive**

Cheerleading class focuses on tumbling skills and jumps needed for cheerleading. Spring floor and trampoline are used. Improve flexibility, coordination, agility, physical strength, and power. **Cheerleading classes** focus on technique, jumps and cheer routines. School Squad tumbling is available, please call the office for information.

## **Preteam Classes** – 7 to 12 yrs., 1½ hour class

Invitation Only—Tryout required.

This 1½ class expands on the basics and highlights advanced skills on all equipment and in a progressive manner. Overall physical fitness and increased strength and flexibility will be stressed. There are four classes per week. This is where each child feels the "physical difference" of conditioning for greater flexibility, agility, strength, and power as they learn the value of hard work to attain a greater and greater number of advanced skills and abilities. These classes are not for every child, but, they may be just what inspires your child. Gymnastics routines are taught with preparation toward the competitive experience.
