

“2018 Take Action Youth Camp”

Past Camper Early Registration information

Please note:

This early enrollment offer is going out to previous campers only!

This announcement is for parents who had previously enrolled children in our summer “Take Action” Youth Camp. The first 20 children who decide to enroll early will be assured a space for the entire summer or whatever partial time they would like to attend. It is a good possibility that some of our more popular summer camp weeks will fill earlier than in previous years. Children love our camp, and the word is getting out.
