## Summer Swim Lessons Jun 5 thru Jul 18, 2018

**Group Swim Lessons:** Offered Tuesday and Wednesday afternoons beginning at 4:10pm for children ages 4-12years. Enrollment is for one 50 minute class, once a week given throughout the 8 week summer. **The tuition for summer classes is \$240 for all 8 weeks.** For safety and instructional purposes parents are also required to be in the pool with their children younger than 6 years of age. These are professionally taught classes taught by Perpetual Motion swim instructors and directed by Gary Thibodeau. Parents will learn teaching techniques they can use to help their child's learning process during family swim times. A **\$30 Registration fee** will secure a space in our classes. Absences and "rain out days" cannot be made up. Instead, we have a bonus "swim/practice time" for all our swim student families every Friday evening from 6 to 7:30pm! **Register early to secure a spot.** Partial week summer classes are billed at \$40 per week.
